## OVERVIEW

Helder Guimarães is taking interactive at-home illusions into *The Future*. With a magician, perspective is everything—and in this show, participants will decide which version of events they prefer to see. Guimarães' story takes us on a personal journey including stops at a high-stakes poker game and a pub in the south of France, as it explores the seedy underbelly of the gambling world. You never know what intriguing mystery or long-kept secret may be revealed along the way.

On the heels of the blockbuster, sold-out run of *The Present*, Guimarães once again beguiles with his unique brand of jaw-dropping illusions, philosophical storytelling, and magic that unfolds in the palm of your hand and in the comfort of your home.

Mailing address required for delivery of your mystery package. Packages will be shipped USPS for United States orders; FedEx for International orders (additional fees apply).

Internet access is required, with audio/video conferencing capability.
